FITNESS REIMAGINED

LifeFitness

S Y M B I O™

The most innovative, immersive fitness equipment available, and a new benchmark in premium cardio. Symbio™ fuses body and machine in seamless motion with engaging personalization, advanced biomechanics and meticulous, purposeful design. The Symbio product series transcends the workout to deliver the ultimate sensory fitness experience.

PERSONALIZED, IMMERSIVE EXPERIENCES

On-demand coaching, branded content and streaming entertainment create compelling, personal fitness journeys.

ADVANCED BIOMECHANICAL ENGINEERING

Cutting-edge biomechanics are the backbone of Symbio. Inspired by decades of motion research, the series offers unmatched ergonomics, comfort and performance.

METICULOUS, PURPOSEFUL DESIGN

Inspired performance demands inspired design. Clean simple forms and purposeful detailing create an elegant and timeless design that delivers both perfect form and function.

LifeFitness

SYMBIO RUNNER™

Symbio Runner™ sets new standards in biomechanics and design, key features include: Adaptive Flex Deck®, Interactive Terrains, and Advanced Performance Metrics.

PERSONALIZED PROGRESSION WITH ADVANCED PERFORMANCE METRICS

Each runner is unique. Our precision real-time sensors capture every footfall to provide advanced performance metrics, gait analysis and coaching.

AN IMMERSIVE, SENSORY WORKOUT WITH ADAPTIVE FLEX DECK

Deck firmness is easily adjustable with the patented Adaptive Flex Deck. Softer settings allow for more shock absorption and lower impact. Firmer settings offer higher performance and more responsiveness.

CONTEMPORARY DESIGN, DRIVEN BY PURPOSE.

Details matter: Continuous forms, premium materials and precision craftsmanship make this our most attractive treadmill ever.
